COVID-19 Update

The board of directors and credit union management are constantly monitoring the developing COVID-19 pandemic. As of right now, the credit union is holding operations like normal. Our lobby is open, and our hours are the same as they always have been. However, as things develop we may have to take steps to protect our members and staff from the spread of the virus. If we do make any changes we will post notices on our website and at the credit union office. As we move forward through this difficult and strange time, please know that we will do our best to provide the highest level of member service we can. Thank you for your support and patience.

New Employee!

We're excited to welcome a new employee to our team! Sarah Patrick joined the Legacy Credit Union family on June 29th. She comes to us from US Bank and she brings multiple years of banking, customer service and lending experience with her. Welcome Sarah!

2020 Annual Meeting To Be Re-Scheduled

Due to the effects of the COVID-19 pandemic, the Legacy Credit Union board of directors had to make the difficult decision to postpone the annual meeting. Right now we're not sure when we'll be able to re-schedule. With nationwide social distancing and stay at home orders ongoing we're going to have to take a "wait and see" approach. As soon as we are able to get the annual meeting back on the schedule we will notify you. Thank you for your patience as we work through these challenging times.

The credit union is working on developing a new website. We kicked this process off with our vendor on June 23rd. We're not sure yet when the final implementation will be but, we're anticipating a month or two from the kickoff date. Hopefully, the new site will be up and running by the end of July or the end of August. Stay tuned!
